

Vice and Virtue

Assignment 11

- *poetry memorization*. Memorize stanzas 1 and 2 of Isaac Watts' "Praise to the Creator." The poem has four stanzas.
- *study guide*. Complete Lesson 11 in your study guide after reading the selections in your anthology. Remember also to study vocabulary and literary terms. Also remember that you do not have to do any of the writing exercises unless I tell you directly on the assignment page.
- *poetry and poetics*. Complete Poetry and Poetics 11.
- *writing*. Write the narrative that we talked about extensively in class this past Friday. (Remember that you took notes on the lesson.) Some of you have written the essay already, but you may want to look it over before handing it in. Also, remember that the narrative does not have to be on a time that you were angry and regretted it; rather, it can about any strong emotion, such as jealousy, etc.
- *picture*. The picture on this assignment page is of John Bunyan.

Long-Range Assignments

- *book report*. Remember that *if you have not already written it and handed it in*, the book report is due the week after Thanksgiving. The book report format sheet is posted online.
