

Short Story Assignment 18

- This week we continue the science fiction genre by reading H.G. Wells' "New Accelerator" and Philip K. Dick's "The Gun." Read the stories carefully, as there might be a quiz on the details! The picture on the assignment sheet is of H. G. Wells.

Long Range Assignments

Test on short stories will be on **the third Friday in February**, covering satirical stories to science fiction stories.

On the left is a statue of *The War of the Worlds* tripod, erected as a tribute to H. G. Wells in the centre of the town of Woking, England.

Finish writing your Speech Night essay (or speech) by the first week of February. Please send your finished essay by email. *Be sure that it is conversational.*
