

Classical Greek II

Assignment 26

- *picture*. On the right is a picture of a 3rd-century fragment of the letter to the Hebrews. Some think that the letter was written by Paul. If so, it could have been dictated by Paul but written by an amanuensis, as the language and style is different.

- *memory quotation*. Ἔστιν δὲ πίστις ἐπιζομένων ὑπόστασις, πραγμάτων ἔλεγχος οὐ βλεπομένων. (Hebrews 10:1)
- *vocabulary*. Memorize the vocabulary for Lesson 43 in Davis on page 149, Section 359.
- *grammar*. This week you are going to review Study Section 356, which refers you to page 221, where you will find the declensions of knee, woman, hair, ear and water. Also memorize the perfect active indicative and pluperfect indicative of λύω (Sections 360 and 369). The perfect tense in Greek is equivalent to the English present perfect tense and the pluperfect tense is equivalent to the English past perfect. Study the rules regarding the verb forms: Sections 362–366 and 370.
- *translation*. Translate Section 371 on page 153 in Davis, from Greek to English.
