

English Literature and History Assignment 14

- Memorize **parts 1 and 2** of Percy Bysshe Shelley's poem, "Ozymandias."
- Read John Milton, Selected Works (found in your literature reader) and Nathaniel Hawthorne's "Oliver Cromwell" (found in your history study guide, chapter 18). Complete any study guide material.
- Read English History Chapter 14 and answer the questions in the study guide.
- Take the test on the Medieval Period and the history chapters 6–11. Be sure that study your study guide material!
- The picture on this assignment sheet is of Oliver Cromwell. Apparently the phrase "warts and all" came from Oliver Cromwell when he was commissioning a portrait painter to paint him. He did not want a picture to be idealized or romanticized; he wanted to be painted as he really was—including the warts on his face.
