

## A is for Apple

### Assignment 4

#### Handwriting

Complete pages 13–16 of the handwriting book. We have gone over the *pb* and *vw* letter groups. Please make sure that your child is forming the letters correctly: from top to bottom and

counterclockwise. Also, please look at the posted video with your children: Lesson 4 of the **online handwriting page** (the *pb* and *vw* letter groups).

#### Reading and Phonics

Complete Lesson 4. It is very important to develop good learning behaviors. Students should not be overly concerned about getting the right answer and should always take time to think before giving it. In my experience in teaching, I have found that the most careful students and those that enjoy learning turn out the best—*really!*

#### Sight Words

Remember that all of the sight words for the lessons may be found in the appendix of the book. Please review the sight words from previous lessons.

#### Poetry

Students should memorize stanza 1 of William Cowper’s “The Lord Will Provide,” which was originally published as part of his *Olney Hymns*. William Cowper is a respected poet of the 18th century.

#### Suggested Reading

Read a book to your child this week. Brinton Turkle. *Thy Friend, Obadiah*. 1969. Reprint. Paw Prints, 2007. This illustrated story—about appreciation and regret—will introduce your child to the Quakers.
