- The book report will be due **the third week of February**.
- The persuasive essay will be due **the second week of January**. The five-paragraph essay¹ should be formatted this way:

Paragraph 1 Give the necessary background information to your topic and end with your main idea.

Paragraph 2 Your paragraph should begin with a topic sentence, which will be your first *reason* to support your main idea. Then you should explain your reason, and if appropriate, and example.

Paragraph 3 Your paragraph should begin with a topic sentence, which will be your first *reason* to support your main idea. Then you should explain your reason, and if appropriate, and example.

Paragraph 4 Your paragraph should begin with a topic sentence, which will be your first *reason* to support your main idea. Then you should explain your reason, and if appropriate, and example.

Paragraph 5 Your conclusion should talk about the importance of what you have just discussed.

¹ If you have chosen to do ONE paragraph, the format holds the same. Then only difference is that your essay will be shorter and it will be written as one paragraph.
