

## Drama, Writing and Speech Assignment 32

- *last assignment.* This will be our last assignment for the year!
- Bring in your L4 Project and be prepared to say something about it, especially the following: 1) What did you read in the *King Lear* text that give you the idea to create what you did? 2) What did you intend to express in your creative work?
- *reading.* Read William Wordsworth's poem "A Sailor's Mother" and "Alice Fell; or, Poverty" and ready to answer questions on the material. These poems are short.
- *picture.* Although at first readers were rather skeptical about William Wordsworth's poetry, he was later greatly respected, even lionized. On the right is a picture of William Wordsworth looking very pensive.
